

YOU ARE MY FIRST TEACHER.

HELP ME LEARN ABOUT FOODS.

If I never taste a food, I won't know if I like it or not. Please help me.

- Offer me foods from all 5 food groups, even ones you don't like.
- If I won't eat the food, don't force me to eat it. But, try again at another time. It might take 10 tries before I will taste it.
- Have other foods that I eat, like bread, milk, and applesauce, on the table.
- Let me put the food in my mouth and take it out again. I learn by smelling, tasting, and touching food.

KEEP ME SAFE.

Not all foods are right for me. I could get hurt or sick. Some foods I should not eat. Other foods are okay if you cut them into tiny pieces. I must sit at the table to eat.

FOODS I COULD CHOKE ON:

- Hard foods like candy, peanuts, popcorn, or nuts
- Raw vegetables and hard raw fruits
- Slick, round foods like hot dogs or whole grapes
- Sharp foods like corn chips
- Sticky foods like peanut butter
- Large foods like a whole hamburger
- Soup

FOODS THAT COULD MAKE ME SICK:

- Raw or rare meat, chicken, turkey, or fish
- Raw or soft cooked eggs
- Deli meats (like bologna) unless reheated to steaming hot
- Unpasteurized fruit juice or cider

WHAT ABOUT FATS AND SWEETS?

I need some fat. You can put butter or margarine on my foods. A little sugar is okay, but not too much. Please don't give me punch, tea, or soda. Let me drink water, instead.

I WILL LEARN FROM YOU.

- I use my hands to stack blocks, throw a ball, and push and pull toys. Let's play catch!
- I copy what you do. Can I play with a bowl and spoon? I will pretend to stir food.
- I understand much of what you say. Talk and sing to me. Please say I am doing a good job.
- I like to open doors and drawers to see what is inside. Let me learn, but keep me safe.

HEALTH AND SAFETY TIPS
